

Corporate Events & Private Parties

Ricky M - Madison, WI - The dupage band was the best choice for our Holiday work party. With a mix of affordability, quality, and experience, they infused fun, excitement, and personality into our workplace's annual celebration. Their technical skill was wide ranging and their social skills in getting people involved and excited was even stronger. Their desire to have fun and make an enjoyable night for the company was clear and their professionalism was much appreciated. A nice surprise was the addition of the hilarious air guitar and hula-hooping contests that got many people involved. Finally, it is high praise to hear so many people say how much they enjoyed the band, including members of the executive team of our company. Many thanks to the band!

Michael H, Lake Forest - dupage band performed at a back yard college/high school graduation party for 150 people. Their performance was professional and superb. They managed to get both the adults and the kids singing and dancing together...no easy feat. The set list was a perfect mix of oldies and newer popular songs that can be enjoyed by everyone. A great night!!

Miranda E, Milwaukee - I highly, highly recommend this band! They played my graduation event and really, really impressed me!! I hadn't seen or heard the band before (other than the samples available online) and was nervous to hire a band, sight unseen/unheard. However, they far surpassed my expectations and blew my guests away! They were super fun and entertaining, took few breaks, knew a great deal of music and even learned new songs per my request. They also seem to really enjoy what they do! Book this band, you will not regret it :) Many accolades will come your way, and you will look good for booking such an awesome band!! Seriously, i give them 10 stars!

Jan M, IAHPERD - Thanks for making our conference social the best ever. You really have a way of engaging the crowd that provides fun for ALL! We hope to see you again soon.

Weddings

Julie A, Milwaukee - I wanted to thank you again for playing at our daughters rehearsal dinner!! What a great night! We had the best time because of the great sound and all the fun you brought to the night! Thanks to you and all the guys!!

Jen and Tom, Chicago - THANK YOU! THANK YOU to you and the band!! Band played at my wedding and they were absolutely awesome! Everyone had so much fun. The band gets the crowd participating and everyone sings along. These guys are top notch!

Sarah and Steve, Chicago Area - Thanks dupage! We have followed dupage band the past several years and they play great music that the whole family can enjoy. We've seen the group perform at various summer festivals, Arlington Park Race Track, and at several "Parties in the Park" hosted in various Chicago area suburbs. We really enjoy their 80's Rock hits, such as Footloose, Jessie's Girl, and Nothin' But A Good Time, and their Classic Rock songs, such as Sweet Home Alabama and American Girl.

My fiancé and I knew we had to have them play at our rehearsal dinner the night before our wedding! The group was prompt to arrive, they set up quickly in the backyard of my in-laws, and exceeded expectations while rock'n and roll'n in the 90 degree weather. Hula-hoops, beach balls, and inflatable musical instruments kept both the children and adults entertained all afternoon! Everyone had so much fun that we asked for "one more song" and received three encore songs at the end of their performance!

Charity Events

Jennifer, American Cancer Society - Every year we are impressed with dupage band when they come out to our event! It may be 6am—but they get the crowd excited to be there! They are able to get all 1,500 people at our Making Strides Against Breast Cancer walk into their music— all ages love them! Their stage presence and love for what they do shows through. We get asked all the time if they will be back at our event next year, which really shows how much the crowd LOVES them! If you are looking for entertainment for a fundraiser, wedding, party, etc. they are your guys!

Susan G, Des Plaines History Center - The dupage band headlined our fund raising event. The event was held in a tent that accommodated about 400 guests. The band provided excellent entertainment for our audience; the age range of attendees varied widely, and dupage played a huge variety of songs that appealed to everyone. It was clear that the band members truly enjoy what they do, and it showed in their energetic performance.

I liked the props the band brought along to keep the audience engaged: Mardi Gras beads, plastic blow up saxophones, and maracas. The photos from the event show guests having a great time playing with the items the band brought with them.

Besides their performance, I couldn't be more pleased with the band's preparation before the event. We spoke several times on the phone to plan out logistical details, and this made all the difference the day of the event. The band members arrived on time, worked well with our other volunteers as they set up, and were generally really nice people to deal with.

I would highly recommend the dupage band for anyone planning an event with music that requires "something for everyone." Not only does dupage band provide variety, but they do it with great stage presence and a truly unique style of engaging with the audience.
